No new guests

Old Business

Training Opportunities

- ESRI – Intro to Workflow Manager (March), Intro to Geoprocessing Scripts Using Python (Feb –Aug, 2 day Classroom, Instructor Led)
- Craig is looking into Server Classes that would be available here as an instructor led video class.

Ada County SIG/SWIG Update

- No update

RGAC Update

- Erik says that RGAC now has an ftp site that ACHD Maintains. PLEASE ADD DATA TO THE SITE. Will send out directions about building ftp data. SIG is looking into Homeland Security's Regional Common Operational Picture Program. They are looking at the relation to other groups and how to designate who gets what task so there is no replication.

Subcommittees

Addressing – Travis Tyson

- Has all the info together – now need schedule 1st meeting. When would everyone be interested? It was recommended that this committee meet monthly at first until such time as it is deemed unnecessary to meet so frequently.

Hydrography – Forrest Smith

- Forrest was not in attendance. The committee was informed that this project has not been started yet. IDWR is hoping to be able to receive a current hydrology shape file at least once a year.

New Business

January GIS Day

- GIS Day will be held at Nampa Christian Elementary School on January 29 at 8am in the Gymnasium. There will be 20 minute sessions until noon. Each entity will be responsible for their own supplies. Each entity chose their activities at the planning meeting so be there and be ready.

Update SDC Contact List

- Craig Tarter will be sending out an e-mail to all contacts to get response on who still wants to be included on the contact list and who may still be interested in attending the meetings. After he receives the responses he will return the list to the committee to make decisions for the final list.

Individual Project Updates

- For most it is nothing new and exciting. Everyone is keeping busy with the projects at hand.

Closing Discussion

Next Meeting will be February 3 at the Caldwell Police Station, 110 South 5th Avenue, Caldwell at 10:30am.
