Old Business

Training Opportunities

- Angie noted there is an online Javascript API class being held by GeoSpatial Training Services

Ada County SIG/SWIG Update *Dan*

- SIG is not as active as it previously has been, RGAC is taking on more of the roles
- SWIG meeting was a success, lots of opinions about the proposed Regional Resource Centers

RGAC Update *Eric*

- Still working on comparing data files to make useable between administrative boundaries
- Working on regional centerline data alignment, this will be beneficial to Emergency Service responders
- Eric also mentioned that ACHD has extra space on their FTP site that may be used for data sharing among member agencies
 - Ada County will be the steward for the Hospital, Fire, and Police data
 - COMPASS will be the steward for the regional schools and open spaces
