Good Afternoon All,  
 Just a friendly reminder that we are scheduled to meet on Wednesday May 4 at Nampa City Hall. I believe we will be meeting in a conference room in the Civic Center, but I will update the location on Monday. We will meet from 8:30AM-10:30AM. Jay Young will be making a presentation on the work he has done on centerline data. Here is a rough agenda:

- Take Roll
- Training Opportunities
- Discuss Pictometry
- Jay's Presentation
- Discuss Group Format
- New Topics
- Schedule Next Meeting
