****No new guests in attendance****

Training Opportunities

- Kessler GIS is offering courses throughout the summer and into the fall ([Kessler GIS](#))
- Check out courses with the Geospatial Research Facility at BSU ([GRF @ BSU](#))

Ada County SIG/TWIG/SWUG Update

- Wanting to create inventory layers – i.e. senior citizen homes, public restrooms, etc.

Individual Project Updates

Idaho Transportation Department – Mark Wasdahl

- COGO'ing land they own
- Having difficulties in Payette and Ada counties
- Spiral curves – having problems drawing out old highway descriptions

Canyon County Assessor – Mike Bruse

- Updating SACCOUNT – larger task than originally thought

COMPASS – Eric Adolphson

- Regional data will be up on the web soon
- Long range planning updates available soon as well

Subcommittees

Hydro Committee Update – Rod Collins

- Nothing to report

Centerline Committee Update – Forrest Smith

- Working on acquiring speed limits – need help from the cities
- Once that's done they'll be able to do routing

Taxlot Changes and Status – Mike Bruse

- Trying to eliminate slivers in parcel fabric
- Propose having any changes to land (subs, legals, etc.) submitted in a digital format with 2 control points

GIS Day – Lisa Nicholls

- Wednesday November 19th, 2008
- Attempting to reserve Nampa Civic Center – Rod Collins
- Email if interested in helping out with the festivities that day

Next SDC Meeting

- Replaced with June 3rd SWIG meeting
- BSU West Campus

Upcoming meeting ideas

- Need for a master address file – Jay Young
