**Training and Updates**

Bruce Kessler will be here for training in Oct.

NW GIS Users conference held in Sun River OR, Oct 12-16<sup>th</sup>

RGAC- Preliminary plats are going smoothly, RGAC will facilitate technical working groups should the need arise. Working on getting the regional centerline routable.

**Sub-Committees**

Addressing-Travis should be contacting people concerning establishing an addressing committee.

Centerline- zipcode field should be current for all roads now.

**Pricing**

Discussed prices of data. Gail will have a lawyer in to discuss the legalities of charging for data in Oct. Nampa is restructuring their data pricing. Sage Resources had a spreadsheet set up to calculate cost of printing and pricing. Pricing will be discussed in more detail at a future meeting.

### **Bylaw Change**

Lisa proposed changing the bylaws to include duties of the Secretary. No one was opposed.

### **GIS Day**

Discussed the benefits of having 1 GIS Day on the national day or creating a reach out program for the one or more of the local schools. Sara Stoltz brought up the success of the Women in GIS reach out activities. Meeting to discuss GIS Day events and structure set for July 9<sup>th</sup>, 9am CC Courthouse.

### **Rural Users Mapping Network**

Sage presented on a USDA funded project that Sage and Compass are working on to make GIS Data more accessible to smaller communities that would otherwise not have access. 10 data layers were established as most important for communities. Through the use of pdfs the project allows end users to mark up pdfs and send back changes to the data.

Next meeting Aug 5<sup>th</sup> @ CC Courthouse
