

## **Canyon Spatial Data Cooperative Meeting Notes July 9, 2008**

### **In Attendance:**

Jay Young, Nampa	Gary Wilbert, Idaho Power
Curtis Brinkerhoff, Nampa Hwy. Dist.	Paula Dillon, Nampa
Mike Bruse, Canyon Co. Assessor	Ross Dodge, COMPASS
Angie Hopf, Caldwell	Lisa Nicholls, Canyon Co. Assessor
Karla Baker, Caldwell	Sarah Higuera, Canyon Co. Assessor
Kevin Jones, Canyon Co. DSD	Mark Wasdahl, Idaho Transport. Dept.
Dan Narsavage, Ada Co. Assessor	

### **New guests in attendance:**

- Mike Russell, Project Engineering Consultants

### **Training Opportunities**

- Kessler GIS is offering courses throughout the summer and into the fall ([Kessler GIS](#))
- Check out courses with the Geospatial Research Facility at BSU ([GRF @ BSU](#))

### **Ada County SIG/TWIG/SWUG Update**

- Completed phase 1 of metadata creation – what it is, who made it, etc.
- Beginning phase 2 – metadata for attributes
- SIG & TWIG have officially separated

### **Individual Project Updates**

#### *Caldwell – Angie Hopf*

- working with Kevin Jones on collecting data for a trail system – proposing new trails

#### *Idaho Transportation Department – Mark Wasdahl*

- Hiring PT temp GIS analyst (description available online: [ITD Temp Analyst](#))
- Acquired control points from Canyon County DSD
- Working on acquiring more control points

#### *Project Engineering Consultants – Mike Russell*

- Student at BSU

- Just here to learn and network

*Canyon County Assessor – Sarah Higuera*

- Working with Jon Norred (Nampa) on a unique identifier

*Nampa – Paula Dillon*

- Pavement Management inspection completed

*Nampa – Jay Young*

- EMS grid
  - used for hydrants, sewers, etc
  - Going to check & compare EMS grid with Ada County's EMS Grid
- City started labeling greenbelt trails – DOTS
  - DOTS: Distance Oriented Trail System
  - Hopefully build into the centerline

*Canyon County Assessor – Mike Bruse*

- Working on 1 way replication with Nampa
  - goal is to have beta phase in effect by September 30<sup>th</sup>
- Rebuilding Land Use & Building Characteristic tables
  - going live August 11<sup>th</sup>

*Nampa Highway District – Curtis Brinkerhoff*

- Budget year

*Idaho Power – Gary Wilbert*

- Working with Gem County on conversion from CAD to GIS
- Getting GIS data from most counties
- Wanting Canyon County centerline – referred to Forrest Smith

*Ada County Assessor – Dan Narsavage*

- Migrating parcels to SDE
  - Using ESRI Cadastral Editor tools
  - Taking awhile, but making progress
- 5 people are going to ESRI Conference in San Diego

*Canyon County DSD – Kevin Jones*

- No update

*COMPASS – Ross Dodge*

- 2010 Ortho – looks like the project between Ada & Canyon counties will work
  - Developing RFP & getting quotes from vendors now
- Working on the Performance Monitoring Report – collecting data
- Regional Geographic Advisory Committee – meeting in 2 weeks

*Caldwell – Karla Baker*

- No update

### **Subcommittees**

*Hydro Committee Update – Paula Dillon*

- Nothing to report

*Centerline Committee Update – Forrest Smith*

- Not in attendance
  - Still working on routing & adding layers

### **Taxlot Changes and Status – Mike Bruse**

- Saccount table (new layout) is available on the FTP site under the ‘visitant’ folder
  - Take a look at it and provide some feedback
- Unique identifier – using the LRSN (Land Record Survey Number)
  - going to be the most efficient
  - only 963 duplicates – working on getting that taken care of
  - LRSN is in the Saccount already – known as the ‘Prikey’

### **Strategic Plan – Angie Hopf**

- State GIS Plan
- Everyone’s on board for the most part
  - What do we do?
  - Will be scheduling a meeting about how we want to go about this

### **GIS Day – Lisa Nicholls**

- Wednesday November 19<sup>th</sup>, 2008
- Searching for venues in Caldwell/Nampa area
  - College of Idaho
  - Caldwell High School
  - O’Connor Field House
  - Hopefully have one nailed down in the next week or so
- Once venue is acquired, will be setting up a meeting to start planning

### **Next SDC Meeting**

- August 13<sup>th</sup>
- Location TBA

### **Upcoming meeting ideas**

- ESRI conference
