

SDC of Canyon County Meeting Minutes

Wednesday, September 7, 2011

10:30-12:00pm

**Canyon County Courthouse
Recorder's Conference Room
1115 Albany St
Caldwell, ID 83605**

In Attendance:

Kyle McAllister, CCSO
Forrest Smith, CCSO
Sarah Higuera, CCAO
Lisa Reed, CCAO
Tony Almeida, CCAO
Travis Tyson, City of Nampa
Jay Young, Nampa PD
Karla Baker, City of Caldwell

Old Business

Training Opportunities

- Northwest GIS Users Conference in Boise, October 17-21.
- Geometric Network class

Ada County SIG Update

- No SIG members present to give an update.

RGAC Update

- ESRI now provides a \$100 home ArcView license.

Subcommittees

Addressing – Travis Tyson

- Travis & Jay gave the update.
- Our Fire and Dispatch want info from an address to show in Spillman, such as a trailer or apartment number. It would be entered as “address ^ unit#”

- We need private roads to have street signs to help Emergency Services find their home, however some property owners may be opposed to paying to erect a sign.
- Pictometry will be flying in March 2012, and we will get new imagery.

New Business

Website Renewal:

- The license for the SDC website domain is about to expire. Should we renew it?
- Craig is not present. We will ask him how much traffic the SDC website hosts.
 - Cost will be \$26 per year. Should we purchase more than one year at a time?
 - Does anyone use or refer to the SDC website?
 - Is it worth the cost?
 - Who will pay for it? Split the cost among individual members? Agencies? Fundraise?
 - If we don't renew, what alternatives are there for posting, archiving, and distributing information?

Individual Project Updates

Closing Discussion

Next Meeting is tentatively set for Wednesday, October 5, 2011 at 10:30am at the Canyon County Courthouse in the Recorder's Conference Room, but a vote will be held closer to that time to determine whether or not to cancel the October meeting in lieu of the Northwest GIS Users Conference.
